*** EVENT INFORMATION & REQUIREMENTS ***

Event Time: Public event is Sunday, December 6, 2020 10am to 3pm.

MEMBERS ONLY PREVIEW 9:30am to 10am.

Artists must be present beginning at 9am. This is a one-day event!

Artist set-up time: Sunday, December 6, 6am-9:30am.

Shared booth: A shared booth is any booth with two or more artists. Artists must be listed on a shared application form and submit descriptions and images for acceptance. Couples who sell two different art disciplines are considered shared, i.e., one individual sells pottery while their partner sells paintings is considered two separate artistic voices, therefore a shared booth category. Individuals assisting their partner in the sale of their work or who work together in creating works under one artistic voice are considered a single artist booth. **All artists of shared booths must be present for a portion of the event.** Presenting work for a completely absent artist does not support the goals of this event.

Fine Art and Fine Craft Criteria:

The purpose of this event is to showcase the tremendous artists and artisans in our area.

1. Artwork must be original and come from the hand of the artist.
2. Work that is largely composed of pre-made or manufactured elements will **not** be accepted.
3. Original work must be shown. ***Reproductions should be limited to no more than 50% of the work exhibited and should be clearly labeled as reproductions.** (This rule does not apply to photography).

Professionalism:

Artists must be present at their booths during the event (assistance with watching your booth is encouraged to allow for breaks). Artists who display work that is misrepresented on their application materials and falls outside the criteria listed above will not be allowed to show at the event. Additionally, artists not listed on an application, but displaying at event, will be asked to leave. Application materials and fees must be submitted to ensure a booth space. All applications are juried by LAC staff. Past participation does not guarantee acceptance.

Sales Tax – It is your responsibility to comply with state and local tax laws and licensing. It is not necessary to prove or show a license in order to participate in Art in the Afternoon. Yet we highly recommend that you educate yourselves in this area. In order to further help in this, we recommend that you read the “Wyoming Vendor Manual”.
